REDUNDANCY SUPPORT

Your Start Up Story (YSUS) actively helps reduce corporate negativity when it comes to activating redundancies. By including YSUS in your Redundancy Benefits Package, departing staff leave emotionally hopeful, rather than leaving feeling unwanted and let down.

UNDERPINNED BY EXPERT HELP

Right from day one, clients receive professional guidance and expert help.

BESPOKE AND PERSONAL

Unlike other outplacement support services, YSUS's course naturally evolves to become tailored to each client and their business.

FROM LIGHTBULB MOMENT TO LAUNCH

YSUS guides clients safely, knowledgeably and creatively through the start-up process.
